MMC-GAMUDA GAINS RECOGNITION AT THE MALAYSIAN CONSTRUCTION INDUSTRY EXCELLENCE AWARDS (MCIEA)

KUALA LUMPUR, 14 September – MMC-Gamuda Joint Venture Sdn Bhd was recognised as the recipient of 'Pengiktirafan Khas' for its Electrified Double Track Project between Ipoh and Padang Besar (2T) at the MCIEA ceremony hosted by Construction Industry Development Board (CIDB) .

The ceremony, which was attended by YB Dato' Sri Haji Fadillah Bin Haji Yusof, Minister of Works Malaysia saw Dato' Sri Che Khalib Mohamad Noh, Group Managing Director, MMC Corporation Berhad receiving the recognition.

"We are honoured to be recognised by CIDB at MCIEA today for one of our major projects. The achievement is dedicated to our joint venture team for their hard work and efforts that made the project a success. This serves as an inspiration and stepping stone that will spur our team to achieve even more successes in the future", said Dato' Sri Che Khalib.

The project, which is a Joint Venture between MMC-GAMUDA was nominated by Construction Industry Development Board (CIDB) Malaysia under the Best Major Infrastructure Project category for its "Design, Construction, Completion, Testing and Commissioning of the Electrified Double Track Project between Ipoh dan Padang Besar."

Spanning 329km, the 2T project links Ipoh in Perak to the northern end of the country at Padang Besar in Perlis, reinforcing the national rail system's ability to provide speedier and more efficient inter-city travel.
