

FOR IMMEDIATE RELEASE

PORT OF TANJUNG PELEPAS WINS MALAYSIA'S 2014 BEST PORT AWARD

KUALA LUMPUR, 31 October – Port of Tanjung Pelepas (PTP), Malaysia's biggest single port operator and a subsidiary of MMC Corporation Berhad (MMC), was named the winner of Malaysia's 2014 Best Port Award, in conjunction with the World Maritime Day 2015 National level held at Putra World Trade Centre, Kuala Lumpur.

"As a customer-centric organisation which strives to constantly enhance its services, deliver the best customer experience and continuously work towards upholding its standards within the industry, we are proud that PTP has been awarded with this prestigious award. We will continue to improve the service level and further pursue our vision to be the preferred port of choice in the region", said Dato' Sri Che Khalib Mohamad Noh, Chairman of PTP/Group Managing Director of MMC Corporation Berhad.

"With various concerted efforts and a series of operational and technical initiatives initiated by PTP, we are confident that our strong performance will continue to be strong", added Dato' Sri Che Khalib.

The award recognised PTP for its continuous positive improvement on productivity in container operations and better optimisation of resources in achieving its operational excellence.

PTP has won numerous accolades and recognitions since its inclusion in 2000 such as the first Malaysian Port awarded the Integrated Management System, which integrated ISO 9001, ISO 14001 and OHSAS 1800, 2012 Asia Pacific Green Terminal Operator of The Year by Frost & Sullivan, APMT Review Excellence Award, Technology Business Review ASEAN Award for Excellence in Logistics and many others.

About the Port of Tanjung Pelepas

The Port of Tanjung Pelepas (PTP) is Malaysia's largest container terminal. The port delivers reliable, efficient and advanced services to major shipping lines and box operators, providing shippers in Malaysia and abroad extensive connectivity to the global market. PTP is a joint venture between MMC Corporation Berhad (70%), Malaysia's premier utilities and infrastructure Group, and APM Terminals (30%), a leading global ports group with a global port network in 69 countries.

About MMC Corporation Berhad

MMC Corporation Berhad (MMC Corporation) has evolved over the years to be the Malaysia's leading utilities and infrastructure group with diversified businesses under three core divisions: ports & logistics, energy & utilities, and engineering & construction.

As an active player with a diversified portfolio of businesses in utilities and infrastructure, MMC Corporation has and will continue to make significant contributions to the development of human and intellectual capital as well as to the environment and the local community.
