## **About MMC Corporation Berhad**

MMC Corporation Berhad (MMC) is a leading utilities and infrastructure group with diversified businesses under three divisions, namely ports & logistics, energy & utilities and engineering & construction.

Its key businesses under the Ports and Logistics division include the operations of Port of Tanjung Pelepas Sdn Bhd, Johor Port Berhad, Northport (Malaysia) Bhd, Penang Port Sdn Bhd, Kontena Nasional Berhad and JP Logistics Sdn Bhd. Internationally, MMC has an associate stake in Red Sea Gateway Terminal Company Limited, a container port terminal within the Jeddah Islamic Port, Saudi Arabia.

Under the Energy and Utilities division, MMC is the single largest shareholder of both Malakoff Corporation Berhad and Gas Malaysia Berhad.

MMC's Engineering and Construction division has further established itself in the sector with a leading role as the Project Delivery Partner (PDP) and underground works package contractor for the 51 km Klang Valley Mass Rapid Transit (KVMRT) Sungai Buloh-Kajang project (Line 1) and Sungai Buloh-Serdang-Putrajaya project (Line 2). Prior to this, MMC has successfully completed the 329 km Ipoh-Padang Besar Electrified

Double Tracking Project as well as the innovative Stormwater Management and Road Tunnel (SMART) motorway, the first-of-its-kind, dual-purpose tunnel in the world.

MMC continues to make inroads in the construction industry, securing key civil and infrastructure projects in the country namely Langat Centralised Sewerage Treatment Plant, Langat 2 Water Treatment Plant, civil and infrastructure works for Refinery and Petrochemical Integrated Development (RAPID) Pengerang Cogeneration Plant. Zelan Berhad in which MMC is the single largest shareholder, is currently undertaking the construction of a drawbridge in Kuala Terengganu. Additionally, MMC has a 20% effective interest in Borneo Highway PDP Sdn Bhd (BHP) which has been appointed as PDP for the Sabah Pan Borneo Highway Project.

In other businesses, MMC owns Aliran Ihsan Resources Berhad, a water treatment plant operator and also operates Senai International Airport in Johor Bahru, a major aviation hub and the main air transportation gateway to Iskandar Malaysia. Surrounding the airport is an area covering over 2,718 acres known as Senai Airport City which is being transformed into a major integrated industrial and commercial development. In addition to that, MMC has a 2,255-acre Free Zone Industrial Centre known as the Tanjung Bin Petrochemical and Maritime Industrial Centre which offers comprehensive facilities and infrastructure for tankage and terminal handling as well as trading and logistics.
