

FOR IMMEDIATE RELEASE

PTP & LPJ CONTINUE TO GIVE POSITIVE IMPACT TO SOCIETY BY CONTRIBUTING HARI RAYA AID TO UNDERPRIVILEGED FAMILIES IN A TIME OF COVID-19 CRISIS

GELANG PATAH: From 11 to 14 May 2020, Pelabuhan Tanjung Pelepas (PTP), a member of MMC Group, together with Lembaga Pelabuhan Johor (LPJ) continue to make impactful change and bring joy to the Gelang Patah community by organizing the annual Tijarah Ramadan Programme.

The CSR based event was organized as part of a collaboration effort by the involved organizations to support and give assistance to those who come from unprivileged and disadvantaged families, especially those who are severely affected by the COVID-19 pandemic during the month of Ramadhan.

This year, a group of 170 identified families from 5 villages namely; Kampung Pok, Kampung Ladang, Kampung Tanjung Adang, Kampung Pekajang and Kampung Tiram Duku in Mukim Tanjung Kupang Gelang Patah area received the special aid in the form of cash donation and essential goods.

LPJ General Manager, Muhammad Razif Bin Ahmad remarked that the collaboration between the government authority and local conglomerate like MMC Corporation Berhad and port operator like PTP is much commended as it demonstrated the best synergy between private business entity and government authority in spurring the economic growth of the state and nation as well as in alleviating the standard of living amongst the community through its various outreach programmes.

“As the port grows and continues to be successful, it is important that the community surrounding it is not forgotten,” he added.

Reflecting his LPJ counterpart, PTP Chief Executive Officer, Marco Neelsen remarked that this year, the Tijarah Ramadan Programme brings us closer to the local community since it coincides with the COVID-19 crisis.

“With the threat of COVID 19 still looming, our 25 CSR volunteers PTP and LPJ worked closely with the village representatives in distributing the aid to recipients without jeopardizing their safety. It was important for all of us involved to swiftly respond, commit and contribute to this crisis. We pulled all stops to ensure the aid was procured quickly and transported in a timely and safe manner,” added him.

Tanjung Kupang Head of Mukim, Mohamad Faiz bin Mohd Pandi extends his gratitude that the local community have towards MMC, PTP & LPJ for continuously supporting the local villagers especially during this festive season and COVID-19 pandemic.

Alimah Binti Arsat, a single mother from Kampung Tiram Duku said she was delighted to receive donations from PTP & JLPJ as it will greatly help her preparation for the upcoming Hari Raya.

Throughout the years, PTP has been actively conducting various CSR efforts which cater to Gelang Patah community such as providing Container Library for SK Ladang Pendas, English Class tuitions for secondary students, UPSR & SPM motivational camp, Back to School Programmeme, Gotong Royong activities, Bubur Lambuk Distribution and many more.

ABOUT PORT OF TANJUNG PELEPAS

The Port of Tanjung Pelepas (PTP) is Malaysia's largest container terminal. The port delivers reliable, efficient and advanced services to major shipping lines and box operators, providing shippers in Malaysia and abroad extensive connectivity to the global market.

PTP is grouped under MMC Port Holdings Sdn Bhd (MMC Ports), Malaysia's largest integrated logistics service provider. MMC Ports is a wholly-owned subsidiary of MMC Corporation Berhad, a leading utilities and infrastructure group with long standing credential and capabilities in ports & logistics, energy & utilities and engineering & construction.

Its terminal operations are backed up by state-of-the-art facilities, equipment and information technology systems linked to all port users. To date, the Port is operating with 14 berths totalling 5.04 km in linear wharf design. The port's container yard is one of the largest container storage facilities in the region with the capacity to handle up to 10.5 million TEU annually.

PTP was accorded Free Zone status in March 1998 and was also appointed as a Free Zone Authority by the Government on 16 June 1999 to administer both the Commercial Free Zone and the Industrial Free Zone. PTP Free Zone provides various advantages to cargo importers and exporters and the direct connection to the port terminal also provides efficient and cost effective container movement between the Free Zone and the port, creating convenience for the container trade.

PTP is also a joint venture between MMC Corporation Berhad (70%), a utilities and infrastructure group and APM Terminals (30%), a leading global ports group with a global port network in 57 countries.
