FOR IMMEDIATE RELEASE

JOHOR MENTERI BESAR OFFICIATES SENAI AIRPORT CITY DIAMOND INTERCHANGE

JOHOR BAHRU, 8 Oct 2016 – Johor Menteri Besar, YAB Dato’ Seri Mohamed Khaled Nordin today officiated the new Senai Airport City and Bukit Amber Interchange at KM10.95 (exit 254A) of the North-South Expressway in Senai.

The event, hosted by Senai Airport City Sdn Bhd (SACSB), a Member of MMC Group and Amber Heights Sdn Bhd was also attended by Dato’ Sri Che Khalib Mohamad Noh, Group Managing Director of MMC Corporation Berhad.

YAB Dato’ Seri Mohamed Khaled Nordin shared that “Iskandar Malaysia is one of the most successful five economic corridors in Malaysia and we have gained strong interests from various foreign investors since 2006. With the on-going development taking place in Iskandar, new Senai Airport City and Bukit Amber Interchange at KM10.95 (exit 254A) of the North-South Expressway will not only increase accessibility but will definitely be a catalyst that will spur the growth of Iskandar Malaysia.”

“As one of the developers in Iskandar Malaysia, we are honoured to be part of their milestones with the opening of the new Senai Airport City and Bukit Amber Interchange at KM10.95 (exit 254A) of the North-South Expressway. This would not have been possible without the support from the local government and authorities. We are confident that our investors will benefit from the interchange with easier accessibility to the North-South Expressway.” said Dato’ Sri Che Khalib Mohamad Noh.

The launch of the new interchange will enhance the connectivity by providing a direct access from Senai Airport City to North-South Expressway leading to Malaysia-Singapore 2nd Link (Linkedua) and Johor Bahru City into Singapore and also linking to Senai-Desaru Expressway towards Pasir Gudang, giving convenient access to Port of Tanjung Pelepas and Johor Port.

SACSB is the master developer to the 2,718 acres of land adjacent to Senai International Airport. The land is set to be developed into a major integrated industrial and commercial area and have attracted local and international industry players. Among the
development that have taken place in Senai Airport City are Hershey’s, Ecoworld, Fuji Oil Asia Pte Ltd and AME iPARK.

**About MMC Corporation Berhad**

MMC Corporation Berhad (MMC) is a leading utilities and infrastructure group with diversified businesses under three divisions, namely ports & logistics, energy & utilities and engineering & construction.

Its key businesses under the ports and logistics division include the operations of Port of Tanjung Pelepas Sdn Bhd (Malaysia’s largest container terminal), Johor Port Berhad (Malaysia’s leading multi-purpose port), Northport (Malaysia) Bhd and Kontena Nasional Berhad. Additionally, MMC extends its operations to Saudi Arabia via its associate stake in Red Sea Gateway Terminal Company Limited, a container port terminal within the Jeddah Islamic Port.

MMC owns and operates Senai International Airport, Johor Bahru, a major aviation hub and the main air transportation gateway to Iskandar Malaysia. Adjacent to the airport is an area covering over 2,718 acres known as Senai Airport City which is being transformed into a major integrated industrial and commercial development.

Under the energy & utilities division, MMC is the single largest shareholder of both Malakoff Corporation Berhad (Malaysia’s largest independent power producer), and Gas Malaysia Berhad (sole supplier of reticulated natural gas in Peninsular Malaysia to non-power sector). Within the utilities segment, MMC also wholly owns Aliran Ihsan Resources Berhad (a water treatment plant operator).

MMC’s engineering & construction division has further established itself in the sector with a leading role as the Project Delivery Partner (PDP) and underground works package contractor for the 51km Klang Valley Mass Rapid Transit (KVMRT) project (Sungai Buloh-Kajang Line) and Line 2 project (Sungai Buloh-Serdang-Putrajaya Line). Prior to this, MMC has successfully completed the 329km Ipoh-Padang Besar Electrified Double Tracking Project as well as the innovative Stormwater Management and Road Tunnel (SMART) motorway, the first-of-its-kind dual-purpose tunnel in the world.

MMC continues to make inroads in the construction industry, securing key civil and infrastructure projects in the country namely Langat Centralised Sewage Treatment Plant, Langat 2 Water Treatment Plant, civil and infrastructure works for RAPID Pengerang Cogeneration Plant. Additionally, MMC has a 20% effective interest in Borneo
Highway PDP Sdn Bhd (BHP) which has been appointed as PDP for the Sabah Pan Borneo Highway Project.
